CBR500R

DID YOU KNOW?

Is reliability supposed to be boring?

It's not rare to find some CB500 proudly boasting more than 300,000 kms (more than 186,000 miles), but the long-time favourite of the couriers and the driving school is much more than a workhorse. Beginning in France in 1996, the CB500 Cup spread across Europe quickly. Since 2014, it is on CBR500R that young talents try to make a name by themselves, on a budget. Sebastien Charpentier or James Toseland, to name a few, started there.

The CBR500R Cup.
